#### 1. Permits, Change, Transfer, Renewal, Sale

Permit Conditions: Emery Deep has one permit condition. The permittee must submit water quality data in an electronic format through the Electronic Data Input web site. This condition is being met.

#### 2. Signs and Markers

The mine ID signs are in place and contain the required information.

#### 4.b Hydrologic Balance: Sediment Ponds and Impoundments

Checked all of the sediment and mine water ponds as part of the partial inspection. No problems observed at any of the sites.

#### 8. Noncoal Waste

A few items of noncoal waste were observed outside of the designated containment. Jaren made note of the items and will have them placed in the appropriate containment.
